Directions for Completion of Form

Patient Information: Complete the entire section which identifies clearly and legibly all of the demographic information specific to the patient (individual about whom information is being requested)

Release My Medical Records From: Check the first box if you would like your records released from an Allina Health facility/provider. Check the second box if you are requesting your records be released from a **non**-Allina Health facility/provider. When checking the Allina Health option, you may specify the specific Allina Health location you are seeking information from. For example, United Hospital, St. Paul, MN; Buffalo Hospital, Buffalo, MN; Allina Medical Clinic Shoreview, Shoreview, MN. If you do not identify a specific hospital or clinic (e.g. Allina Health), records may be provided from **ALL** Allina Health hospitals or clinics where you have received care. Please see allinahealth.org/medicalrecords for a listing of Allina Health hospital and clinic locations and addresses

Send My Medical Records To: Identify the full name/business, address, phone and contact information with the name of the individual who is *to receive* the information. *Please allow 7-10 days for all requests to be processed and sent to the recipient.*

Purpose For Release: Please identify why you need a copy of your record. This helps us to track and assign a priority status to your request. It also informs us who may be responsible for the cost of records (where appropriate).

Information to Be Released: This section gives us the instructions for what information you want released. If you select "Clinic Record Set" or "Hospital Record Set", we will disclose the pertinent documents that are specific to that type of patient care visit. This is typically what doctors' offices, hospitals or other health care providers need to provide information related to your care. If you select "any and all" records, your entire record will be provided for a specific visit date or all dates. It is very helpful if you identify the date or range of dates, needed by the requestor. Please note record types listed in the Special Disclosure Permissions section must be checked in order for them to be released.

Release Method: This tells us how you would like your information delivered. If you wish to view information prior to selection of documents, please identify this on the authorization form and we will contact you to set up a viewing appointment. You may also make an appointment to pick up your records. Please note that viewing or pick up appointments are done at the Allina Health Corporate Office in Minneapolis.

Duration of the authorization, revocation and other information you need to know: This authorization will automatically expire in 12 months **unless** you include a different date. You may indicate the authorization is valid "5 years", "10 years", but there needs to be an ending date (do **not** use terms such as "lifetime" or "forever"). The authorization can be revoked by your written direction to our organization.
