

DEMENTIA CAREGIVER CONNECT

JFCS Dementia Caregiver Connect is a twice monthly “drop-in” program for caregivers of people living with dementia or experiencing memory loss.

Upcoming sessions of Dementia Caregiver Connect:

- May 13 & 27, June 10 & 24, July 15 & 29, August 12 & 26
- 10 - 11:30 a.m.
- JFCS - 5905 Golden Valley Rd.

If you have picked up a prescription, brought over dinner, given a ride to the doctor, taken care of an errand, or made decisions big or small on behalf of a family member or friend, you are a caregiver.

Participants in this program will have an opportunity to **share experiences and receive guidance and education** about topics relevant to caregiving. Sometimes the caregiving journey can feel lonely—the intention of this program is to provide a safe place to receive support and connect with other caregivers.

Staff from JFCS Senior Services will facilitate the group sessions, provide support, and answer resource-related questions.

Refreshments will be served.
