Lawn mowing & snow removal

We offer these seasonal outdoor home services with the help of paid staff and volunteers. Due to high demand, we recommend signing up for service at the start of each season.

Other yard services

We recruit volunteers in the spring and fall to provide light duty yard services like weeding, yard clean-up, and raking leaves.

Services are available to those age 60 and older residing in the cities listed below.

Rates for paid services are based on a participant's income and ability to pay; no one is denied service based on ability to pay. We accept insurance and waiver payments.
