

MN HEALTH CENTERS

No insurance? No Problem.

You can be seen at a clinic for a visit if you don't have insurance or have high cost insurance. We can help you apply for insurance or other programs. Sliding fee payments are available. **You will not be turned away if you cannot pay.**

Medical Care

Visit for vaccines, fever, cough, pain, regular health check-ups, pregnancy, infection testing, labs, follow-up care, medication, or any other health need

Behavioral Health Care

See a provider if you are sad, worried, anxious, or want to talk to a therapist.

Dental Care

Have your teeth cleaned and checked, get treatment for tooth ache or sore gums.

Vision Care

Make an appointment for trouble seeing, glasses, regular eye check-ups, and school screenings.

Community Resources

Visit us to be connected to health insurance and community resources that can help you access food, housing, affording your medications, and more.

Virtual Visits

Health Centers offer virtual visits for some services, which allow you to be seen by a provider from your home through your phone or other device.
